

## MUSIC NOW AND FOR THE FUTURE

Venice Musicale is an all volunteer non-profit membership organization dedicated to presenting quality music to the public free of charge and to encouraging young area musicians by awarding scholarships for music camps, private lessons, buying musical instruments, or for college-level studies.

Investing in the next generation of musicians through scholarship support has been part of Venice Musicale's mission for over seven decades. The awards are funded through tax-exempt donations made by sponsors of Venice Musicale ensembles as well as audience members who attend our free monthly variety and Suncoast Duo Pianists concerts, and by sponsors of local performances by Venice Musicale's Encore Chorus. Encore is a perennial favorite of area organizations looking for top-quality entertainment, and, along with Suncoast Duo Pianists, is available to book between November and April each year.

Since it's inception, the Venice Musicale Scholarship Program has provided nearly \$300,000 to promising young area musicians.

We express our deepest gratitude to the teachers, family members, donors, volunteers, and other supporters, like you, who make our programs possible. We offer a special salute to our young scholarship awardees for their passionate commitment to music.
